DOCKET NO. 04-01

INTERNATIONAL SHIPPING AGENCY, INC.

v.

THE PUERTO RICO PORTS AUTHORITY

ERRATA

In the September 17, 2004 Order, entitled "Motion to Dismiss Denied; Order to Answer Complaint and Respond to Discovery Requests; Notice of Referral to Alternative Dispute Resolution," the following corrections should be noted:

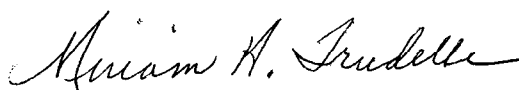

(1) The footnote sequence in the hard copy, beginning with footnote 12, is misnumbered. The footnote sequence, as it appears in the WordPerfect version of the electronic copy, is correct. However, on page 46 of both the hard and the WordPerfect electronic copies, a note number at the

bottom of the page is shown as "66". This should be changed to footnote number "63" to conform to the numbering in the WordPerfect electronic copy.

(2) On page 44, in the footnotes at the bottom of the page, between footnotes 56 and 58 of the WordPerfect electronic copy, the footnote number "57" should precede "*SPUPD v. PMC*, at 32".

(3) On page 44, in the last line of footnote 58 of the WordPerfect electronic copy, "197" should read "297".

(4) On page 69, in the first paragraph of subsection H, "46 U.S.C. Sec. 572(c)" should read "5 U.S.C. Sec. 572(c)".

A handwritten signature in cursive script, reading "Miriam A. Trudelle".
